Hear what they are saying about us...

My husband and I had our wedding ceremony and reception at the Harbor View in September and it was better than we dreamed of! Everyone we worked with was helpful, professional and made our wedding something we will never for-get... My husband and I were able to relax with our guests and didn't have to worry about a thing the day of our wedding. The culinary team is also amazing – we received many compliments from our guests about how great the food was.

This is not only the most gorgeous venue to have your wedding at, but the staff is also the best around! Everyone was so professional, kind, and made us feel incredibly special. I could not imagine a better place to have had our reception! The Edgartown room was perfect for an indoor/outdoor atmosphere. My guests enjoyed hanging out on the wrap around patio with the view of the lighthouse. Those who wanted to dance were able to do so inside. This is the place to be for a beautiful venue and a terrific staff!!! Thank you Harbor View for making our wedding day perfect!

Hands down the best venue! Not only is it a dream spot that is quaint with a view but the food and staff is incredible! The staff as well as our event coordinator Makenzie (the absolute BEST) was very accommodating and went above and beyond to make the weekend perfect! It was important for our guests to enjoy the weekend and they did so by being able to easily walk into downtown Edgartown, ride bikes, enjoy the heated pool with the bar or relax on the porch for the best sunrise on island! The Harbor View was a DREAM venue and I can not recommend it enough!
